Written or oral objections will be considered at the meeting. No appeal to district court may be taken as to the amount of an assessment unless a written objection signed by the affected property owner is filed with the township clerk prior to the assessment hearing or presented to the presiding officer at the hearing. The township may upon such notice consider any objection to the amount of a proposed individual assessment at an adjourned meeting upon such further notice to the affected property owners as it deems advisable.

Under Minn. Stat. §§ 435.193 to 435.195, the board may, in its discretion, defer the payment of this special assessment for any homestead property owned by a person 65 years of age or older or retired by virtue of a permanent and total disability for whom it would be a hardship to make the payments. When deferment of the special assessment has been granted and is terminated for any reason provided in that law, all amounts accumulated plus applicable interest become due. Any assessed property owner meeting the requirements of this law, may, within 30 days of the confirmation of the assessment, apply to the township clerk for the prescribed form for such deferral of payment of this special assessment on his/her property.

An owner may appeal an assessment to district court pursuant to Minn. Stat. § 429.081 by serving notice of the appeal upon the board chair or clerk of the township within 30 days after the adoption of the assessment and filing such notice with the district court within ten days after service upon the board chair or clerk.
